

Wootton Primary School- Sports Premium Funding

The Government has confirmed its continuing investment in primary sport with the allocation of £160 million in 2016/17 to continue to improve physical education and sport in primary schools. Each primary school will continue to receive a flat amount of £8000 plus £5 per pupil aged 5 and over at the last Pupil Census. In the March 2016 Budget, the Government announced a pledge to double this amount to £320 million from September 2017, funded by taxation on sugar in soft drinks.

At Wootton Primary, the Sport Premium is allowing us to develop a sustainable improvement in teacher confidence and skills, driving the professional development of the teaching team through investing in a sports specialist teacher who draws upon the services of the specialist sports provider on the Island throughout the year. The aim is to build a sustainable capacity within the school rather than buy in services which may then cease if funding is no longer available. This will ensure continuity of high quality teaching across the whole school. We will ensure that all children are given a range of opportunities to engage in additional Change4Life sports clubs including access to competitive sports. Living on an Island we consider swimming a critical life-skill and our school funded swimming programme takes place in Year 3 and continued in Year 6 for any child that is unable to swim unaided.

See the report below to see how Wootton Primary intends to use this funding for 2017-18.

Sports Premium Funding Report

Aim: To achieve self-sustaining improvement in the quality of PE and sport in our school both within the school day and through extra-curricular opportunities.

Vision: All pupils leaving Wootton Primary School will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objectives:

- The engagement of all pupils in regular activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to pupils.
- Increased participation in competitive sport.

At Wootton Primary School we aim to provide all children with an inspiring curriculum that gives them the opportunity to succeed in all physical activities whilst developing a love of sport.
