

## Declaration of Business and Pecuniary Interests 2018-19

### The Governing Body of Wootton Community Primary School

*The original signed copy of the Declaration of Business and Pecuniary Interests is held in school.*

I understand that it is my responsibility (as set out in the School's or Local Authority's guidance on governance arrangements in Schools) to declare the nature of any business or pecuniary interest, direct or indirect, of myself or of the members of my immediate family in any contract, proposed contract or other matter when present at a meeting at the School where the specified contract or other matter comes under consideration and withdraw from the meeting during the discussion and not vote in respect of it.

I also understand that it can be a criminal offence to:

- omit information which should be included on this form;
- provide information which is false or misleading;
- failed to notify the governors or head teacher of any subsequent change in circumstances which might render this declaration invalid or out of date

I certify that I have declared all beneficial interests which I or the members of my immediate family have with businesses or other organisations which may have dealings with the school. I also undertake to inform the school of any change in these business interests.

If you have no such interests please write "NIL" in the table above – for completeness of the School's records NIL returns are needed.
