

## Wootton Primary School Governing Body's Strategic Vision

The aim of this document is to set out our shared vision for the school over the next 3 and 5 years, the long-term strategy from which the annual school development plan is derived.

It was drawn up by governors in consultation with all stakeholders.

In 5 years the school we aim to be a school of excellence where the children are central and high expectations and aspirations are fundamental to all we do so that all our children can achieve success through an outstanding education within a small caring community school.

We will have consistently high standards of teaching, learning, progress and attainment.

We will REAP what we have grown, in a safe and inclusive learning environment, so that everyone in our school community is Respectful, Empowered, Aspirational and Persevering.
