Statement of intent

At Wootton Primary School, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the pupil premium grant (PPG).

Wootton Primary School is a one form entry school on the Isle of Wight. We have high aspirations and ambitions for our children and we believe that no child should be left behind. We strongly believe that it is not about where you come from but your passion and thirst for knowledge, and your dedication and commitment to learning that make the difference between success and failure, and we are determined to ensure that our children are given every chance to realise their full potential. We passionately believe that any one of us is capable of anything we set our mind to!

Key facts

- Our school motto '**All our children can achieve success**' reflects our high expectations of the whole school community.
- We are engaged in and committed to partnerships, working with a wide range of organisations which strongly enhances our provision and supports our local community.

The PPG was created to provide funding for two separate policies:

- Raising the attainment of disadvantaged pupils
- Supporting pupils with parents in the armed forces

This policy outlines the amount of funding available, the school's strategy for spending the PPG effectively, and the procedures for ensuring the funding is allocated correctly.

The pupil premium lead is responsible for:

- Undertaking the day-to-day implementation of this policy.
- Ensuring the school spends its PPG funding to provide support to all eligible pupils.
- Working with the Headteacher and other relevant staff members to draw up the Pupil Premium Impact Statement.
- Liaising with parents regarding any questions or concerns about the PPG.
- Monitoring the effectiveness of the school's PPG strategy as it operates on a day-to-day basis.
- Working with the Headteacher and other relevant staff members to implement suitable, effective and evidence-based interventions for eligible pupils to support their academic and personal progress at school.
- In combination with the Headteacher, conducting research into evidence-based strategies for effective use of PPG funding, and demonstrably applying this research in the school's own strategy.

3. PPG allocation

The school adopts the following definitions PPG eligibility, in line with government expectations:

- **Ever 6 FSM:** pupils recorded in the October 2020 census who have had a recorded period of FSM eligibility since January 2015, as well as those first recorded as eligible at October 2020
- **NRPF:** pupils with no resource to public funds (NRPF) who are eligible for FSM under the temporary coronavirus (COVID-19) extension to FSM eligibility, even if not recorded on the school census as eligible for FSM
- **LAC and PLAC:** pupils recorded in the October 2020 census who are in the care of an English LA, or pupils recorded as having been looked after by an English or Welsh LA immediately prior to adoption, a special guardianship order or child arrangements order
- **Ever 6 service children:** pupils recorded in the October 2020 school census who have been eligible for the service child premium at any point since the January 2015 census, as well as those recorded as a service child for the first time in the October 2020 census

For the financial year 2022 to 2023, grant allocations are unchanged, and therefore, are as follows:

Disadvantaged pupils	PPG amount per pupil
Pupils in Reception to Year 6 who are recorded as 'Ever 6 FSM', including those who are eligible NRPF pupils	£1, 345
LAC as defined in the Children Act 1989 – children who are in the care of, or provided accommodation by, an English LA	£2,345
PLAC, who have ceased to be looked after by an LA in England or Wales because of adoption, a special guardianship order or a child arrangements order	£2,345
Service children	SPP amount per pupil
Any pupil in Reception to Year 11 recorded as an 'Ever 6 service child' or in receipt of a child pension from the MoD	£310

The school will receive its PPG funding from the LA.

4. Objectives

The school has the following objectives with regards to its use of the PPG:

- To provide additional educational support to raise the achievement of pupils in receipt of the PPG
- To narrow the gap between the educational achievement of these pupils and their peers

- To address underlying inequalities between pupils, as far as possible
- To ensure that the PPG reaches the pupils who are eligible for it
- To make a significant impact on the education and lives of these pupils
- To work in partnership with the parents of pupil to collectively ensure pupils' success

Challenges our pupils face:

- Significant gaps in learning due to the legacy of underachievement.
- Speech and Language development and delay on entry
- Physical/ Emotional wellbeing
- Attendance
- Low aspirations
- Poverty
- Limited opportunities to access life enriching experiences

5. How PPG is spent

Under the ESFA's terms of the PPG, the school only spends the funding in the following ways:

- For the purposes of the school, i.e. for the educational benefit of pupils registered at the school
- For the benefit of pupils registered at other maintained schools or academies
- On community facilities whose provision furthers any benefit for pupils at the school

If the school has not spent the PPG within the financial year in which it was allocated, the school will carry the remainder forward to the following financial year. When the school carries PPG funding forward, it continues to only spend the funding in line with the above criteria.

6. Long-term strategy for success

The school has a long-term strategy to ensure it maximises the use of PPG funding. The school has also adopted a long-term three-year strategic plan, aligned to the school's wider School Development Plan, which contains the following considerations:

- Expenditure
- Recruitment
- Teaching practice
- Staff deployment

As part of its strategy, the school maximises the use of the PPG by:

- Assigning a pupil premium lead to champion the educational needs of PPG recipients and ensure the implementation of this policy.
- Ensuring PPG funding and spending can be identified within the school's budget.
- Consulting, as necessary and as appropriate, the pupil premium lead, governors, staff and parents when deciding how funds are spent.
- Assessing the individual provisions required for each pupil in receipt of the PPG.

The school conducts lighter-touch annual reviews to inform the strategic plan and form the school's Pupil Premium Impact Statement.

The school explores evidence-based summaries of PPG use, such as the EEF's Teaching and Learning Toolkit, to determine the best use of the funding. The school consults the EEF's Families of Schools Database to learn about effective practice in similar schools. The school makes decisions about PPG spending that demonstrably illustrates its use of evidence-based research.

When researching and implementing PPG use, the school focuses on approaches that:

- Are individually tailored to the strengths and needs of each pupil, and include targeted academic support, such as tutoring
- Are consistent (based on agreed core principles and components), but also flexible and responsive.
- Are evidence-based.
- Are focussed on clear short-term goals providing opportunities for pupils to experience success.
- Include regular, high-quality feedback from teaching staff.
- Engage parents in the agreement and evaluation of support arrangements, e.g. via pupil's personal education plans (PEPs).
- Support pupils' transitions through the stages of education, e.g. from primary school to secondary school.
- Raise aspirations through access to high-quality educational experiences.
- Promote each pupil's awareness and understanding of their own thought processes and help them to develop problem-solving strategies.
- Support the quality of teaching, including staff professional development.
- Tackle non-academic barriers to success at school, by supporting good attendance and behaviour and providing social and emotional support.

The school also chooses approaches that emphasise:

- All children can achieve – 'no excuse' culture
- Relationship-building, both with appropriate adults and with pupils' peers.
- An emotionally intelligent approach to the setting of clear behaviour boundaries.
- Increasing pupils' understanding of their emotions and identity.
- Positive reinforcement.
- Building self-esteem.
- Relevance to the learner – the approach relates to pupils' interests and makes success matter to them.
- A joined-up approach involving the pupil's social worker, carer, virtual school head (VSH) and other relevant professionals.
- A child-centred approach to assessment for learning.

7. A tiered approach to PPG spending

The school operates a tiered approach to PPG spending to ensure spending is both balanced and focussed. Spending priorities are as follows:

- 1: Teaching
- 2: Targeted academic support
- 3: Wider strategies

Ensuring effective teaching in every classroom is the priority for PPG spending. To achieve this, the school spends the PPG in the following ways:

- Professional development
- Additional adult support
- Supporting early career teachers

Evidence shows that targeted support has a positive impact and is a key component of effective PPG use. The school spends the PPG on targeted support in the following ways:

- Structured interventions
- Small group tuition
- One-to-one support

Wider strategies are used to overcome non-academic barriers to success. The school spends the PPG on the following wider strategies:

- ELSA support
- Access to extra-curricular activities
- Attendance initiatives

8. Use of the LAC and PLAC premiums

The LAC premium is managed by the LA's designated VSH.

The premium will be used to benefit a pupil's educational needs as described in their PEP. To avoid any delays in providing support, the school works with the VSH to ensure that funding allocation is as simple as possible.

The LAC premium is used to facilitate a wide range of educational support for LAC. The designated teacher and carers work with the VSH to gain a full understanding of each pupil's needs and determine how to use the premium to support each pupil effectively. The designated teacher works with the VSH to ensure that all available funding is spent.

PLAC premium is allocated directly to the school. LAC premium and PLAC premium is not treated as personal budgets for individual pupils; however, the VSH and the school may choose to allocate an amount of funding to an individual to support their needs. This is discussed during PLP reviews.

9. Interventions

The school utilises the following achievement-focussed interventions:

- Providing one-to-one and small group work with experienced teachers to address pupils' specific knowledge gaps

- Providing additional support to ensure children can access pre-teach and post-teach opportunities
- Creating additional teaching and learning opportunities using TAs
- Targeting English and maths teaching for pupils who are below age-related expectations
- Targeting pupils who require additional help to reach age-related expectations

The school utilises the following teaching-focussed interventions:

- Pupil progress review meeting with specific focus on children in receipt of funding
- Weekly standing agenda item for staff to share concerns and given appropriate support

The school utilises the following wellbeing-focussed interventions:

- One-to-one counselling sessions with ELSA
- Occupational therapy-based interventions
- Allocating funds to enable pupils to participate in extra-curricular activities

The school utilises the following communication-focussed interventions:

- Vocabulary interventions for pupils with poor oral language and communication skills
- Support for pupils to access a range of off-site trips and experiences

10. Use of the service pupil premium (SPP)

The school uses the SPP to give pastoral support to service children during challenging times and mitigate the negative impact of family mobility or parental deployment.

Pupils qualify for the SPP if they meet at least one of the following criteria:

- They have a parent serving in the regular armed forces
- They have been registered as a 'service child' on the January school census at any point since 2015 (known as the 'Ever 6 service child measure')
- They have a parent who died whilst serving in the armed forces and the pupil receives a pension under the armed forces compensation scheme or the war pensions scheme
- They have a parent who is on full commitment as part of the full-time reserve service

The school does not combine the SPP with any other form of PPG. SPP spending is accounted for separately to any other form of PPG. The school may use the SPP for:

- Providing pastoral support in the form of counselling, nurture groups, clubs, etc.

The school does not use the SPP to subsidise routine school activities.

11. Accountability

Individual targets are set for each pupil in receipt of the PPG and their progress towards achieving these targets is analysed at the end of interventions. The progress of pupils in receipt of the PPG is regularly discussed with subject teachers.

Ofsted inspections will report on the attainment and progress of disadvantaged pupils in receipt of the PPG. The school is held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium-eligible cohort.

The school publishes its strategy for using the PPG on the school website.

The school publishes the updated PPG strategy annually, in line with its statutory duties.

The school publishes a link to the [school and college performance tables](#) search tool, as well as the schools' individual performance tables' page, on the school website.

12. Reporting

The Headteacher reports termly to the governing board and parents regarding how effective PPG spending has been and what impact has been made. The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, is monitored, evaluated, and reviewed by the Headteacher and the governing board.

Information regarding PPG spending is published on the school website. The school does not publish any personal data regarding individual pupils on the school website.

13. Pupil premium reviews

If disadvantaged pupils are not meeting expected levels, or slow progress means they are failing to realise their full potential, the school will consider undertaking a pupil premium review to objectively evaluate the pupil premium strategy and identify ways to use the PPG more effectively.

If requested to do so by Ofsted, the LA, or the DfE, the school will commission a pupil premium review.

The school undertakes reviews in partnership with an experienced, independent system leader with a proven track record in improving outcomes for disadvantaged pupils.

The cost of the review reflects the DfE's guideline that says day rates for external reviews should reflect pay and expenses for a senior leader, including any costs incurred by their school to release them. Where costs are prohibitive, the school considers the use of a joint review with local schools. The school may pay an additional cost for the brokerage service providing the reviewer.

In advance of the review, the school completes sections 1-4 of the Pupil Premium Review Self-Evaluation Form available in the appendices.

At the end of the review, the school has an improved strategy and plans to implement it. This strategy and these plans are shared with all relevant stakeholders.

14. Overpayments

The school repays any overpayment of the PPG.

15. Monitoring and review

The Headteacher and SBM are responsible for reviewing this policy every 3 years.

Any changes to this policy will be communicated to all relevant stakeholders.

Coronavirus (COVID-19): Effects of the Pandemic on the PPG

We understand that we face a time of great uncertainty and, as a school, we are doing all we can to provide clarity to the school community. This appendix includes the latest government guidance to which the school will have due regard for during the coronavirus (COVID-19) pandemic. The information in this appendix is under constant review and will be updated to reflect any changes to government and local guidance as it is released.

1. Accountability

Due to the impact of the coronavirus pandemic on assessments and exams during, the school will not be held to account on the basis of any assessment data from the 2020/2021 academic year.

The school will not be required to publish any educational performance tables for the 2019/2020 or 2020/2021 academic years, at any phase, and all organisations working with the school will use data from previous years when assessing pupil performance.

2. Eligibility extension

Under the temporary coronavirus (COVID-19) extension to FSM eligibility, pupils with no resource to public funds (NRPF) are eligible for FSM, and therefore, the PPG, even if they are not recorded on the school census as eligible for FSM.

3. Monitoring and review

The Headteacher will review this appendix on a termly basis, or in response to an update to current government guidance
